Who is your favorite cartoon character?

I can't say that I have a favorite, but I did enjoy getting to be a character on a recent episode of Bubble Guppies. I was also Jimmie the lobster and host of Extreme Doghouse: Neighborhood Edition. It was fun to see my girls reaction to hearing their dad on their favorite cartoon.

If you could do any other job than a NASCAR driver, what would it be?

I would be a firefighter. Growing up in Southern California, we had some pretty big wildfires and I always thought it was incredible seeing those firefighters pull on their gear and battle the blaze.

If you had super powers, what would they be?

I think flying would be pretty cool. I obviously like going fast and think you'd see some pretty cool stuff from up high.

What is your favorite thing to do with your friends?

I really like cycling and have developed a group of friends in the garage who all enjoy it as well. Every weekend we try to either go for a long road ride or take out our mountain bikes and have some fun with local trails near whatever track we're at.
