What is your favorite food? *French Fries*

What is your favorite sports team?

The Seahawks are my favorite football team, for sure. I like college basketball and college football a lot too, and try to follow a lot of the teams.

If you could do any other job than a NASCAR driver, what would it be?

My grandpa built homes when I was growing up. I've always been really into that. I could see myself doing something similar.

Who is your favorite musician?

Eric Church or Kip Moore

Would you rather have the ability to fly or be invisible?

I think invisible would be pretty cool, because you could see a lot of things, but I'd say flying would be better because you could be anywhere quickly and get so much stuff done. So I'd say fly. But invisible would be really cool too.

What is your favorite thing to do with your friends?

We usually cook out, and hang outside by the water or take the boat out for wakeboarding in the evenings. I also enjoy playing basketball.

Do you have any hobbies other than racing?

I love being on the water, whether it's the ocean, a lake or swimming in a pool, but I also enjoy snowmobiling in the mountains.
